

*Frequently Asked Questions  
Your Guide to IBEX*

**We enable young people to develop**

## What is IBEX?

IBEX is a registered company in UK and works with number of British providers and partners to organize UK summer courses in all areas and for all ages. We put young people in touch and ahead of their future opportunities global world skills by helping them to gain understanding, acquire knowledge, and develop problem solving skills which would enable them to live and work competitively in a global, and culturally diverse world.

## What does IBEX provide?

### 1. Residential summer courses for 12- 17 years old students in each of the following areas;

- Football with Manchester United Soccer School
- Football and English
- Tennis and English
- Creative Art and English
- English with other sport and cultural activities

### 2. Residential summer courses for undergraduates

Our courses could be either inhouse or in the UK depending on your client needs. All our courses and training events are quality assured by us to ensure that clients' needs are fulfilled and objectives are met. At the end of each course/event participants will be issued certificate by the university which delivered the event or course. We offer undergraduate summer courses in areas such as:

- Leadership
- Media and advertising
- Business
- Marketing and Branding
- Architecture

### 3. Affiliation, Accreditation, and Validation

We partner universities work with other universities and providers in the middle and far east to affiliate, accredit and validate their courses in most areas of disciplines. We have our own data base of UK quality providers to ensure we get our clients the best value for money and highest quality service.

### 4. Training courses and events

In collaborating and partnership with reputable UK universities we provide in house training courses in many areas such as:

- Education
- Coaching
